- The secondary road leading north-eastward towards the Duben railway station and Alteno off the Luckau - Duben road at NR VT 139 470 was barred to public traffic from NR VT 148 474 onward ("3" on attachment 1). Unlike other secondary routes in this area, this road had apparently been improved recently when a ballast and sand surface was laid to a width of 5.5 m. The following signposts were observed there:

- "STANDPUNKT VERBOREN"
- "STANDPUNKT. NEUBAU VERBOREN."

Der Dienststellenleiter".

- A house in Alteno carried a plate with the following inscription:

"NEU BAU UNION SÜD"

- The Duben - Alteno - Wilmsdorf road showed signs of recent heavy truck traffic. The railway line through the Duben station is a single track line and there is no sign of a railway spur towards the Luckau-Alteno landing grounds.

Description of Attachment: An overlay map of Germany (1 : 25,000 AMS series M 641 3rd edition sheet No. 4148) showing routes near the Luckau-Alteno landing grounds.
